STOP THE SELL-OFF

We are disgusted by the proposals to sell-off a large part of the Whittington Hospital, leading to ward closures, massive reduction of maternity beds, loss of beds for the elderly, total loss of staff accommodation.

This is part of a wider attack on hospitals and other health services across the country.

We are opposed to the rundown, closure or privatisation of any key services, including staff accommodation, at the Whittington, or at any other hospital.

We pledge support to a united campaign to oppose the run down of the Whittington Hospital
